LEEUWPAN COAL MINE, LIFEX RAP HOUSES

Design and construction management and supervision of 46 houses as part of the Leeuwpan Coal Mine's Resettlement Action Plan (RAP)

The Task

The Leeuwpan Coal Mine's relocation project (RAP - Resettlement Action Plan) will provide 46 houses to be constructed in Bottleng, near Delmas, Mpumalanga Province.

Design Services

Nurizon Consulting (Pty) Ltd. was appointed by Exxaro Coal (Pty) Ltd. for the design and project management, including:

- Architectural design;
- Geotechnical investigation and design;
- Civil design:
 - Earthworks;
 - Roads;
 - Stormwater; and
 - Water and Sewer.
- Structural and building design;
- Electrical design;
- Tender and construction documentation;
- Project management; and
- Construction support and supervision.

The Result

Design services and facilitation of the construction of the 46 houses for the Leeuwpan RAP project.
